## Educating ♦ Protecting ♦ Empowering Arizona's Consumers

*"Prevention is the best way to stop criminals. By giving more Arizonans information about consumer fraud and resources available for help, more people will spot the red flags and protect themselves and their loved ones."* **Terry Goddard, Arizona Attorney General**

### COMMUNITY SERVICES AND SATELLITE OFFICE PROGRAM

The Arizona Attorney General's Community Services Program is a state-wide crime prevention and education initiative. The program provides educational programs that focus on consumer fraud and protection of civil and victims' rights for community groups interested in learning more about these topics. **Crime prevention** topics include: the Top 10 Consumer Scams, Identity Theft, and Internet Safety. **Educational programs** include Civil Rights, Life Care Planning, Predatory Lending and Cyber-Bullying. Civil Rights programs include: Fair Housing, Employment Discrimination, Voting Discrimination and Public Accommodations.

Community Services Program staff focus on Arizona's most vulnerable populations, including seniors, minorities, recent immigrants, and young people. Volunteers throughout Arizona generously donate their time to enable these services to be offered in communities throughout Arizona.

The Program includes **Satellite Offices and Centers** throughout the state of Arizona. Satellite Offices are staffed at a regularly scheduled time in which residents can come and speak to an official volunteer and access services. A Center is an information hub does not have a volunteer staffing it but has volunteers' on-call to assist people if they need help. These offices and centers provide community-based venues that make it easier for residents to access information on consumer fraud, civil and victims' rights and other topics affecting the most vulnerable members of the community and the general population.
